Static Caravans for Agricultural and Seasonal Workers - Farm Worker Static Caravans Agricultural Worker Accommodation

Farm worker static caravan agricultural accommodation: We specialise in the selling of used static caravans to farmers and small-holders throughout the whole of the UK and most of Europe.

Static caravans offer an affordable, practical & flexible accommodation solution for:

- Agricultural workers / pickers
- Stable lads / lasses
- Sheep shearers
- Workers / employees of all kinds who need to be housed on-site

We supply static caravans as accommodation, site offices or similar to businesses including farms for agricultural workers, fisheries / fish farms, fishing lakes, hatcheries, shooting estates / shooting centres, stables / equestrian centres, kennels, animal rescue centres and more.

Being one of the south-west's largest secondhand caravan traders we are able to supply any number from one static caravan for a farm labourer or stable-hand to ten static caravans for student fruit pickers or migrant workers if required.

We regularly deliver static caravans to farms in Devon, Dorset, Cornwall, Gloucester, Somerset & Wiltshire in order to accommodate long and short term workers.

We have over 50 caravans available to view now with prices starting from just £995. You can [browse our current stock of new and used static caravans here](#).
