Delivery and transport of Static Caravans and Lodges

When you purchase a used or new static caravan or lodge from Ian James Caravans it will need to be delivered to your chosen destination. It is against UK law to tow static caravans on the public highway, therefore professional transport will be required.

***For caravans priced at £5,000 or over we offer FREE DELIVERY within 200 miles of our Somerset Showground. (*Subject to terms and conditions.)**

If you require delivery of a caravan purchased from Ian James to a location within the UK that is further afield, please contact us and a member of the our team will be happy to advise you. We can also arrange delivery and export of caravans purchased from Ian James to other European destinations.

Please note : We only deliver caravans that have been purchased from Ian James Caravans. We do not deliver or arrange the delivery of caravans for third parties.

"Dear Mike, We just wanted to say how pleased we are with the mobile home. It's perfect. The company who delivered it were very professional and did a great job, working until it was dark! Thank you again." Julia/Ian - 12/03/17.

"Good Morning We yesterday took delivery of a unit supplied by yourselves to Paglesham Boatyard. I am writing to say how incredibly impressed we were with the driver. We have a narrow and very difficult lane to negotiate which has proved the downfall of many an artic driver, often with shorter trailers than your own. Apart from his excellent driving, he took so much care to avoid damage to the unit and his attitude was spot on. He is a credit to your company." Mr D. - July 2015.
