Lodge Twin Units

Lodges / twin units are offer a spacious accommodation option with all of the comforts of home. They also make ideal offices / reception buildings. Many are double glazed and centrally heated. Their extra width means that they are constructed in 2 halves which are fitted together on delivery. Many have large, open plan living and kitchen areas, multiple bathrooms and plenty of storage in the bedrooms (2, and 3 bedroom models available). If you are looking for a lodge / twin unit building please call us - **call 01278 780565** or [contact us online](#).
